**Registration Kits** - Registration kits will include scholarship numbers, wristbands, VIP lanyards, your teacher handbook and a complimentary program. Registrations with 10 or more dancers registered will receive their registration kits in the mail pre-event via UPS by the Monday before the event. For studio and independent registrations with 9 dancers or less, we will have your registration kit available on site for pick up. These will be available at our registration booth for pick up during registration hours. If you have any changes that need to be made please send a detailed list to our admin team by 10am the Friday before the event and we will have them ready for you at our registration desk for a swift pick up process.

**DanceMakers Coffee Mugs** - Coffee on DanceMakers! All registered teachers can pick up their complimentary DM coffee mug that will get you free refills of either hot coffee or tea in the Teacher's Lounge - Sheraton Ballroom 106-107! These can be picked up anytime during Registration's posted hours.

**VIP Lanyard** - Each registered teacher and studio owner will receive a VIP lanyard. We feel it is a great way for our faculty and staff, along with other studio owners and teachers in attendance to easily recognize you. It can be easy to get lost in the shuffle and our goal is to make your time with us as easy and seamless as possible. Please note that these are not required to be worn, but encouraged. To enter classrooms during convention you will still need to show your wristband, as these lanyards do not replace your designated wristband.

**Program** - You will receive a complimentary competition program in your registration kit. Additional programs are for sale at the merchandise booth.

**Wristbands** - Your registration kit includes all of your pre-registered attendee wristbands. All wristbands must be secured on the wrist with only a finger space between the wristband and the wrist. Loose wristbands may be cut off by door monitor. Wristbands must be kept on for all days of the convention. No one will be allowed into classrooms without a wristband. Additional wristbands may be available for sale at Registration, depending on availability.

**Wristband Level Changes** - Level changes can only be made if there is availability in the room. If the space is available on site, all changes must be done at registration with a registered teacher from your studio.

**Scholarship Numbers** - Your registration kit includes scholarship numbers for all of your pre-registered attendees (excluding teachers). There are two copies of all scholarship numbers within your packet. The second copy is a backup for if the attendee loses their first copy. DanceMakers will not be reprinting any scholarship numbers onsite. The scholarship number should be pinned on their clothing so that the number is visible. All scholarships are picked throughout the week by our faculty members in all age levels. Remember, the number *must* be visible to our faculty to be eligible.

**Waiver** - All registered attendees are required to sign our waiver prior to attending. Please see our waiver on our website!

### **Convention and Competition Information**

**Observers** - Classrooms will be limited to registered dancers and teachers only. No observers will be allowed in the convention ballrooms in order to limit the amount of people in each room. The exception to this will be our Camp Dance classroom which is our pre-school program. Each registered Camp Dance student will receive an observer band that is valid just for that class room.

**Convention Tap Boards** - DanceMakers is excited to have convention tap boards available for dancers! DanceMakers will be providing tap boards in each of our tap convention classes.

**Photography/Video for Competition** - Photography and videography during competition are strictly prohibited. Advanced technology of video on cell phones, cameras, etc has forced us to prohibit all camera use. This includes ALL still photography, with or without flash. This is to protect the rights of the choreographer as well as your children's safety. Any violations can result in routine and/or studio being disqualified.

**Competition Music** - To upload music log on to your registration portal, click on "Upcoming and Past Events", find Myrtle Beach You're Home Tour 2023-24, then click on "Media Manager". Here you can upload or preview tracks already uploaded. All music was transferred from your Regional event. Please check *all* music to ensure that the version DanceMakers has is the most up-to-date and transferred over correctly. If you have qualified your routine with the Nationals Digital Pre-Qualifier, you will have to upload your music as you uploaded a video to qualify. Please make all updates by Wednesday, June 19th end of day.

**Props** - DanceMakers welcomes general props to our competition! However, the use of props is the sole responsibility of the studio. Studios have a total of two minutes to place *and* remove their props from the stage. It is also the studio's responsibility to ensure the stage is left clean and clear following their performance. This time limit includes clean up or sweeping time including confetti/glitter/feathers etc. Violation of this rule will result in a 5 point reduction. Teachers, dancers and parents are more than welcome to help with props as long as the judges cannot see any studio affiliation. Please refrain from using fire or helium balloons as well as props being thrown into the judges area and/or audience. DanceMakers cannot guarantee props over 8'h will fit on the stage.

**Live Stream** - DanceMakers will offer live streaming for all competition and all award ceremonies. Check it out on our DM website!

**Competition Flow** - Showroom A and C will be running simultaneously. All routines have been placed specifically to avoid studio performance time conflicts. Please check in with the Girl's Dressing Room Manager 30 minutes prior to your performance time. Unfortunately, you will *not* be allowed to perform at any other time than your assigned performance time to avoid studio performance time conflicts. Please be aware we could run up to 1 hour ahead of schedule.

**Teacher's Lounge and Complimentary Food and Beverage** - DanceMakers will be offering a Teacher's Lounge, Ballroom 106-107 in the Sheraton, for the entire week of Nationals. There will be complimentary coffee at all times, complimentary breakfast Monday - Thursday and complimentary lunch Monday - Wednesday. Come in and have a quiet place to rest your dancing feet.
